The health and safety of the public and our staff is our top priority. Due to the recent outbreak of COVID-19 (coronavirus), the Registry is taking measures to ensure continuity of services while minimizing potential health risks to the Registry staff and the general public.

In-person recordings will be accepted in the front lobby of our main office in Taunton. There will be **no public access** to the rest of the building.

Our Attleboro satellite office will be closed, effective Monday, March 23, until further notice.

We urge those who are recording documents that are not time-sensitive to please submit via the US Postal Service, FedEx, or UPS to 11 Court St., Taunton, MA 02780.

Land Court recordings can be emailed to landcourt@tauntondeeds.com for review before being mailed or brought to the Registry.

Electronic recording of Recorded Land and Registered Land documents will continue without interruption. We encourage you to use this method rather than bringing the documents to the Registry.
